

A.N.I.F. - ITALIAN ASSOCIATION OF FAMILIAL HYPERCHOLESTEROLAEMIA

A.N.I.F. - ITALIAN ASSOCIATION OF FAMILIAL HYPERCHOLESTEROLAEMIA

FH Europe

The European FH Patient Network

A.N.I.F. - ITALIAN ASSOCIATION OF FAMILIAL HYPERCHOLESTEROLAEMIA

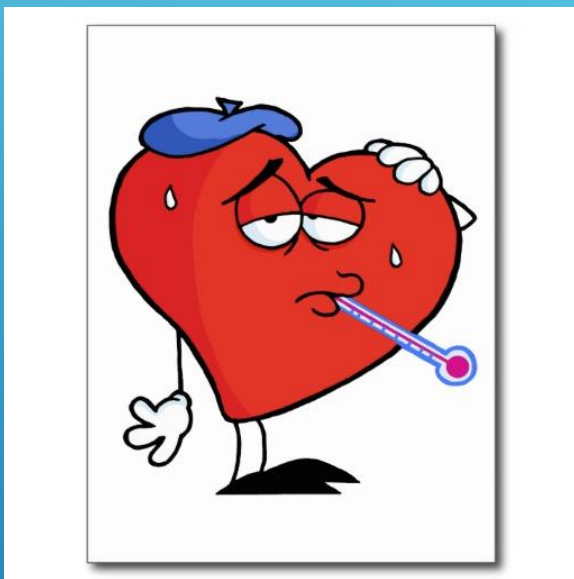

It promotes and directly contributes to the development and to the medical research through the “ Scientific Comitee ” on the causes, preventions and therapies of the familial hypercholesterolemia.

It promotes the disclosure and the knowledge of the problems caused by such genetic anomalies, to the public opinion, health and social professionals.

It supports patients with seroius types of genetic hiperlipidemia and their families.

A.N.I.F. - ITALIAN ASSOCIATION OF FAMILIAL HYPERCHOLESTEROLAEMIA

Thanks for your kind attention!
